

The background features a collage of playing cards and dice. In the top left, a red die with white pips is partially visible. Below it, several playing cards are scattered, including a 4 of spades, a queen of clubs, a king of hearts, and a king of spades. In the bottom right, another red die with white pips is visible. The overall theme is Las Vegas-style gambling.

St. Joseph School - Manhattan Presents
A Night of Las Vegas-Style Gambling

Hats Off to Las Vegas!
